

PRICE LIST

The price of SM sensors depends on the specific design – in particular, the sensor configuration and connection, cable length, and optional temperature sensor. We supply a standard 5 m cable without a connector.

Number of elements	Description	Price (without VAT)
1 element	Any direction from 0°, 45°, 90°	470 EUR
2 elements	Two arbitrary directions fitted	530 EUR
3 elements	Fitted in directions 0°, 45°, 90°	590 EUR
4 elements	Full bridge – cross connection	650 EUR

Extra fees:

- additional cable length 4 EUR per 1 meter
- temperature sensor PT100 or PT1000 40 EUR
- connector price based on individual offer

Ordering:

- contact form on our website www.4dot.cz
